***Important Program Information**

A qualified referral is a person willing to provide us with the necessary information to provide a completed quote. The program is open to any person the age of 18 or older who refers a qualified prospect to one of our agents. The referring person must be a current Anchor Insurance customer in order to make a referral. The referred person must provide us with the necessary information to provide a quote. The referred person does not have to purchase a policy. Your reward should be mailed within 30 days of the referral's completed quote. Only one reward can be issued per that particular referral.
